To whom it may concern

It is with pleasure I am writing this letter of recommendation on behalf of Ms Maria Mpatzaka. I have known her for four years as one of my best students. She is systematic, well-organized and hard-working individual. She can carry out difficult tasks that are assigned to her successfully. She participated in research projects as part of her assessment in the topics of Marketing. Her performance in these topics as well as her overall performance was excellent.

Maria is ambitious and persistent in achieving her goals. She demonstrates good analytical capabilities and works effectively both in group and personal projects. Finally, Maria has a pleasant personality, communicates well with her fellow students and she gets along well with others.

For all the above I do recommend Ms Mpatzaka knowing that she has the capacity to perform very well, meeting the requirements and standards of your institution.

Yours Sincerely,
